SANDALS ROYAL BAHAMIAN — Nassau, Bahama — April 15-18, 2015

The Architectural Majesty of Europe Combined with the Natural Splendor of the Bahamas

Tucked away in a serene corner of the world on a chain of 700 islands known as The Bahamas lies a retreat so alluring, it was once the private club for 1940's high society such as the Duke and Duchess of Windsor, and later a hideaway for celebrities-including The Beatles while they were filming Help!. Today, Sandals Royal Bahamian is the Bahamas' most elegant **all-inclusive** venue resort, offering two unique destinations in one. It has its own offshore island filled with every amenity, romantic adventures, and region's finest seafood restaurant. A refined mainland is filled with European sophistication and extravagant details, from Roman colonnaded pools and exotic fire pits, to nine other restaurants and a world-class spa.
