## SUBSTITUTE FOR IRS FORM W-9

Under penalties of perjury, I certify that: (1) the number shown on this form is my correct Social Security number or taxpayer identification number; and (2) I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS notified me that I am no longer subject to backup withholding; and (3) I am a U.S. citizen or other U.S. person.

## SIGNATURES AND AUTHORIZATION

### Direct Deposit Authorization

I hereby authorize Christian Fidelity Life Insurance Company, and/or its third-party administrators, representatives or agents, (“Christian Fidelity”) to electronically transfer into my account, until further notice, all policy payments due to me and to charge the referenced account to reverse any transfer erroneously posted to my account. I agree that Christian Fidelity will have no further liability with respect to any payments made in accordance with this authorization and may at any time discontinue my direct deposit and issue checks to me requiring my personal endorsement. I understand this authorization is to remain in full force and effect until Christian Fidelity has written notification from me of termination and in such manner as to afford Christian Fidelity and the financial institution a reasonable opportunity to act on it. I, for myself, my heirs, executors, administrators and assigns do hereby consent and agree that any sums of money deposited to my account after my death, shall be refunded to Christian Fidelity for distribution to the person or persons, if any, entitled to those sums under the terms of the policy. Revocation of this authorization will terminate recurring withdrawals or automatic interest withdrawals.

**I have read, understand and agree to the following:**

- I direct Christian Fidelity to pay to me the annuity withdrawal described above in accordance with the terms of this form. I certify that my policy is not assigned or pledged as collateral to any other person or corporation unless an assignee has signed below. I further certify that the owner is not a debtor in any pending bankruptcy or insolvency, and that the owner is not under guardianship or legal disability unless indicated;
- Please verify the withdrawal provisions and conditions of your policy prior to making a selection and make sure that you understand the impact that taking this distribution will have on your policy values and any riders;
- Refer to your policy for surrender charge information, minimum balance requirements and other provisions relating to withdrawals;
- If you have a Guaranteed Lifetime Withdrawal Benefits (GLWB) rider on your policy, withdrawing funds from your policy may impact the guaranteed benefits provided by the GLWB rider. Even if you elect to stop systematic GLWB withdrawals, requesting a withdrawal that exceeds the remaining available GLWB

amount for the current policy year (an “excess withdrawal”) will permanently reduce future GLWB amounts and may result in termination of your GLWB rider. You may contact us prior to requesting a withdrawal if you are considering an excess withdrawal and would like a personalized calculation of the effect of the proposed excess withdrawal on future GLWB amounts;

- If your requested withdrawal exceeds the remaining available GLWB amount for the current policy year, you will be required to sign and return a “Benefit Impact Acknowledgement Form” before we will process the withdrawal;
- If you are withdrawing funds from a non-qualified annuity that was part of a partial 1035 exchange, IRS Revenue Procedure 2011-38 provides that withdrawals taken from either annuity within 180 days after a partial 1035 exchange may result in additional taxable income on the annuities involved in the exchange. The IRS tax treatment may be different than what we will report on Form 1099-R. You should consult a tax advisor before withdrawing any funds from either annuity within 180 days of the exchange;
- Federal tax law treats all non-qualified deferred annuity policies issued by a company to a policyholder in the same calendar year as one annuity policy (serial annuities). If you are withdrawing funds from a serial annuity, the tax information included with your check may not include a serial annuity calculation; and
- I have read and understand all five (5) pages of this form, including the signature requirements below.

**The IRS does not require your consent to any provision of this document other than the certifications required to avoid backup withholding.**
